## INDICATION

The Curaloe Time Stop Serum is an intense formulation created with superior active ingredients to assist the skin in the fight against aging. With strong peptide and aloe content, the serum assists in activating the skin's natural ability to form collagen and elastin. Perfect for time ravaged skin, this serum supplements the Time Stop creams in keeping the appearance of your skin young, fresh & supple.

## MAIN ACTION

Stimulates circulation | Collagen production | Deeply hydrating

## DIRECTIONS FOR USE

Apply a few drops of the serum on dry skin, in the evening, after cleansing and toning. Rub gently until fully absorbed. Moisturize your facial skin with the Night Rebuild Cream after the serum has been fully absorbed.

Store at room temperature, avoid direct sunlight, heat and moisture. External application only. Keep out of the reach of children. Avoid getting product into the eyes. Can use around the eye area.
